About This Game

This is a Mooj

Garden of Mooj is a cute 3D sandbox game with in depth life simulation. Guide your Mooj as they breed and evolve over time, unlocking new structures for your garden.

Or, just relax and play with your Mooj for a bit!

- Each Mooj is completely unique, with their own name, pattern, coloring, and more
- Manage your Mooj's diet carefully to control their evolution

-
- Forage for food throughout the garden, with over 40 unique foods to discover
 - Defend from monsters at night
 - Discover forgotten secrets by raising specific types Mooj
 - Unlock new gardens with unique food and enemies
 - And more to come!

Garden of Mooj will be released at some point in the future. Wishlist to follow development progress!
